

# THE SLAMPAMPERS

*the  
Slampampers*

# STAGE PLOT

**STAGE:** Front - 4 meters wide, 3 meters deep (minimum)

**LIGHT:** Color in the background, front white or pink-gold

**SOUND:** We bring our own microphones (wireless).  
Line6 digital system 2,4Ghz  
We bring a soundsystem that suits a room for approx. 150 people

In case a soundsystem/PA is available at the venue

We provide 8 channels to the front of house technician via stageblock

We will need the front of house technician/mixer to do sound.

2- 3 monitors on stage ( depending size of the stage)
